

## **Chairmans Report - AGM March 2026**

I would like to take this opportunity to thank you all for attending this AGM and for continuing to show an interest in the work of the Association.

Having heard the detailed Roads, Gardens and Treasurer's reports, I trust you will agree that the Committee—who are all volunteers—have once again done an excellent job over the past year. A considerable amount of time and effort goes on behind the scenes to ensure that the roads, drainage and surrounding areas are properly maintained, and that the Association continues to operate smoothly and responsibly on behalf of all members.

I would personally like to thank all Committee members for their continued support, commitment and cooperation throughout 2025. We have a very strong and dedicated team, and it is through this collective effort that we are able to provide a valued and effective service to our members.

Finally, and most importantly, we must thank everyone who has paid their road fees promptly. Your financial support is essential to the ongoing work of the FRSA. Without it, we would simply be unable to maintain the roads and drainage systems or carry out the responsibilities we have been elected to fulfil on behalf of the community.

Your continued support ensures that the Association can plan ahead with confidence and maintain the standards that benefit us all.
