7. COMMITTEE MEMBERS AOB

Pauline Edwards proposed that the committee could consider placing a memorial plaque and planting, on the Clover/Barbary Lane/Barbary garden site, following the sad passing of a past committee member Mr Stuart Salter. He had been an enthusiastic and knowledgeable committee member and had greatly assisted on producing key documents now in place within the FRSA constitution. Chairman and Gardens Manager will investigate this further.

Action Point: Jackie Ring/Simon Thompson – planting/plaque in memory of Mr Stuart Salter.
