Status Key

Public Highway: Public Road with full public access.

Private Street: Public highway, unadopted by the council, privately maintained, with through road access, the public has a legal right to pass/repass on foot or by vehicle.

Private Road : Public highway, unadopted by the council, privately maintained, no through road access, the public does not have an automatic right of access.

This means that they are subject to all UK legislation, all road users must be in possession of a current driving licence and adequate car Insurance.
